Register a new Support account

Registered OrCAD/Allegro users with a valid maintenance contract will have access to the Cadence Online Support website. This account is also required to download and update your OrCAD/Allegro software.

To create an account you need to have a valid email address.

- OrCAD users need the reference key which you got by email from CB Distribution.
- Allegro users need to use the hostid of the license server

Goto the website http://support.cadence.com
Click on "Create an Account"
